## Did we way we needed snow

There's been so much snow that we've had problems with the machines bogging down.

There are two gents that I'd like to acknowledge for their continued outstanding efforts in grooming and track-setting the trails, **Mogens** and **Noel**.

It takes a solid 5 – 6 hours of work each time there's a large snowfall. Without their efforts, we would be in trouble. Next time you see them around, give them a pat on the back.

## All Hail the Prez

**Allen Bale** has stepped forward to fill the president's role and **Noel Porlier** has assumed the vice-president's position. Way to go guys.

## Next Meeting

Our next Wasi Cross Country meeting will take place on **Tuesday March 7th – 6:45 p.m.** at the East Ferris Public Library in Astorville. All members or interested parties are welcome. Come on out and join in the fun.

## New Digs On the Horizon

We're going to replace our beloved shack (sometimes referred to as the chalet) in a few years.

To help accomplish this, we'll be bumping up the 2006/07 membership rates slightly **BUT** offering this year's rates for early membership. Check the chalet or website for more info.

## News from the Shack

We still need volunteers to open the chalet, get the stove going and bring water for the hot chocolate. We need a presence there Saturdays and Sundays from 10:00 a.m. till 2:00 p.m. If you can spare a few hours one day this winter, please sign the list at the chalet.

**Marks Work Wear - Embroidery** now has our club logo on file (check out the toques on our models above). You can have it **embroidered** on a new or used article of clothing for about **\$12.00**.
