20th ANNIVERSARY CELEBRATION

Sunday February 24th, a great day was had by all. There were well over a hundred members present that day. John Ducharme, our founder was there in addition to 5 past and present presidents.

There were some great stories told about the early days. Ask John about the two woodsmen.

Thanks to everyone who brought out the food and goodies. That combination of chili, beans and hotdogs made my mouth water. The next day it was my eyes watering, hmm.

Peter Devine and Tony Armstrong did super jobs helping us to wax and stretch like the pros.

A PRESIDENTIAL AFFAIR

Here's a 20th anniversary picture of 5 of our past presidents: John Ducharme, Phil Brown, Lise Melhorn-Boe, Mark Bridge & Mogens Christensen, and our current president Allen Bale at the ribbon cutting.

Next Meeting

Our Wasi Cross Country board meeting will take place on **Monday April 14th – 7:00 p.m.** at the chalet. All members or interested parties are welcome.

Our Constitution

We've been operating under a constitution that lays out various rules and procedures for carrying on business. To better reflect the reality of today, certain amendments to this document will be tabled and voted on at the Annual General Meeting on Monday April 28th. The revised constitution will be available on our website in early April for review. Nine **directors** will be elected that night to fill a number of positions. I'll send more info shortly via e-mail.

Kudos for a Building Project Well Done

I wanted to say a few words to thank two club members for their outstanding contributions. The amount of effort to plan for the chalet project was incredible. **Noel Porlier** and **Paul Decaire** both spent countless hours running around and getting all of the necessary approvals, quotations, drawings, etc. to proceed. There were times when it appeared we would not move forward. Thanks to them, that allowed the rest of us to get involved and strap on a tool belt and pretend we were builders.

Way to go boys!!!
