Volunteer Corner

Allen Bale is again our coordinator this year for those who want to volunteer for occasional hosting of the chalet on a weekend. It is a fun way to spend a few hours and to get to know our members and visitors. *Don't worry, we offer some training!* You can e-mail Allen at balea@npsc.edu.on.ca or call him at 476-9190 to get on the list.

Check out the volunteer opportunities listed on the registration form. Volunteers are needed at various events such as brushing parties, the pancake breakfast, and bartending/ticket sales at the Astorville Carnival dance. Go to the Events Page on our website <http://www.wasiski.com/events> for details. Email Joan Clark at joanieclark27@gmail.com and she will direct you to the committee chairperson.
