January 2005

Great News

No doubt you've heard that our application was approved for funds from the Trillium Foundation.

We did some quick work on our **GIGANTIC** parking lot and trails. Can you imagine that – three rows of parking. The balance of the funds are being spent on a new snow machine, trailer, groomer and winch. Here's the "Ginzu"

groomer we're purchasing. It will "tenderize" the hardened snow and allow a fresh track to be set at the same time.

Yahoo Skidoo

We are finally able to have a 2nd snow machine to back up the Alpine and allow faster trail preparation. This Skandic is on order.

Next Meeting

Our next Wasi Cross Country meeting will take place on Tuesday **January 11th – 6:45 p.m.** at the East Ferris Public Library in Astorville. All members or interested parties are welcome. Come on out and join in the fun.

Come On Out and Have Some Fun

Here's a great way to meet other club members and contribute your energies towards a common goal – the ski club. We can always use help with the following:

Something New Has Been Added

You'll notice a sign-in sheet attached to the warm-up shack on your next visit. One of the requirements when applying for any type of grant is usage of the facilities. To come up with this information, we REALLY need your cooperation in signing in all skiers each visit. If you see someone who forgets to sign in, please remind them.

If you have any comments before or after your ski, add a note there.
