## Another Season Set to Go

We're set to begin another ski season soon (we hope). The weather channel is calling for frigid temperatures this month and hopefully enough snow to start us off.

**Good news** – the rates are the same as last year. Membership forms are available on our website or at the club. You won't find better value anywhere.

Additional trail work occurred during the off-season including an alternate trail leading back to the chalet - designed by Mogens.

We need **volunteers** to help opening the chalet on weekends and keeping the fire going. If you can spare a few hours, please let us know.

## A Fond Farewell

We have to bid farewell to our club president, Jonathan Tyson, who's leaving for the east coast. Many thanks Jon for your strong leadership and vision for our future – you will be sorely missed.

## Annual General Meeting

Our next Wasi Cross Country meeting will take place on **Tuesday December 13th – 6:45 p.m.** at the East Ferris Public Library in Astorville. All members or interested parties are welcome. Come on out and join in the fun.

## Did You Know

Your club is run by volunteers. At our club, the executive are all volunteers. There is no payment to executive members. They all pay normal membership fees. Our membership fees go entirely to expenses like taxes, insurance, groomer maintenance, a chalet building fund, and trail improvements.

## Who's That at the Shack

We've noticed a strange phenomena over the last few years– when someone is at the shack (chalet) on weekends keeping the fire going and water hot, the daily cash receipts increase.

Here's what we need – some volunteers to open the chalet, get the stove going and bring some water for the hot chocolate. We need a presence there Saturdays and Sundays from 10:00 a.m. till 3:00 p.m. If you can spare a few hours one day this winter, please let us know.
